EMPLOYER HEALTH INNOVATIONS

A collaborative meeting with the business coalitions on health and value in Louisiana, Mississippi, Alabama, and Florida

Innovations in Employer Health

Please join us for a meeting to learn about innovations in employer health, employer benefits, and healthcare value. Presentations and discussion will include value-based purchasing, specialty pharmacy & biosimilars, opioids, policy & legislative initiatives, and an employer panel sharing their innovative approaches. Employer leadership including CEOs, CFOs, Human Resources and Employer Benefits professionals are encouraged to attend. Employer members from the four collaborating coalitions can attend for free and all non-members there is a \$50 attendance fee. Seating is limited to 36 attendees. You must register to attend. Lunch will be provided.
